27th February 2018

Dear Parents/Carers,

There are still spaces available for an E-Safety training session on Monday 5th March led by 'The Two Johns'. The session will take place from 7pm until 9pm in the John Ray Infants hall.

The Infants held a similar event last year and parents who attended said it was a fantastic session in which they learned a great deal about how to keep their children safe online.

'The Two Johns' are trained Police officers and are well known for delivering bespoke training sessions within schools and other organisations that cover all areas of online Child Sexual Exploitation. This training is being offered for children and parents in EYFS, KS1 and KS2 as, sadly, the age of children experiencing online grooming on a regular basis has dropped over the past few years.

'The Two Johns' recently spent the day with us, talking to the children about keeping safe online. This follow up session offers you the opportunity to find out what the children were taught as well as how you can ensure your child's safety when they are online.

We would love to see as many of you as possible at this informative session. If you would like to attend please email enquiries@johnrayjuniors.com

Yours sincerely

Karen Harrison
Head of School
